Campground Rules

The following are general rules for your stay at Pike Lake Campground. They are not all-inclusive, and the Campground Manager may make decisions based on the circumstances. We hope you enjoy your stay at Pike Lake Campground and visit us again.

1. Campsites are marked on the asphalt. Please stay within your rented space. The use of another site may result in additional charges.
2. Campsite must be kept clean and orderly. All trash must be contained in plastic bags and placed at the edge of your site for pickup.
3. All children under 6 years old must be accompanied by a parent to shower and restrooms.
4. Absolutely NO laundry or dishes in showers or restrooms. Hot water is not permitted to be carried out of showers or restrooms.
5. Dogs and other pets must be kept on a leash at all times and must be kept quiet. Animal litter must be picked up and disposed of by owner. Pets are not permitted in restrooms or showers.
6. Alcoholic beverages must be kept on your own campsite.
7. Camp fee is for one family only. Overnight quests must register in office and pay \$3.00 per night fee. Visitors are allowed from 8:00am-10:00pm (maximum of six). All visitors must exit park no later than 10:00pm. One additional tent may be permitted on your site for your children if approved by Campground Manager. Tents for persons other than your children will be charged the regular rate.

8. Extra vehicles are to be parked in available parking spaces by restrooms, parking near fence in back row, or along split-rail fence in beach parking lot. No parking on vacant lots. Boat trailers must be parked in the "back 40".
9. Check-out time is 12:00pm and checkout in is 3:00pm. Unless waived by Campground Manager.
10. Please be considerate of your neighbors, and do not cut through their campsite or make excessive noise. Quiet time is 11:00pm and is enforced.
11. For your convenience, the campground has floating pier docks available, which may be reserved for \$5 per day or \$25 per month. Private pier installation must consist of standard hardware (steel augers, 2"x6" rails). Pier deck must be 3' wide. Approval must be obtained from Park Superintendent before installing a private pier.
12. Fishing Permits, allowing campers to fish on park properties (other than inside the campground) during "park closed hours", are available at the Park Office, located at 117 E. Canal St.
